

DEVCONNECT

Avaya DevConnect Program

Avaya Tested Audio Devices from Plantronics

Provider of Audio Devices for Avaya UC and Contact Center Solutions

SOLE AUDIO DEVICE PROVIDER TO AVAYA FOR OVER 4 DECADES

Plantronics and Avaya have a 43-year relationship as technology and business partners. Plantronics designed and manufactured Avaya branded audio devices until February 2010.

Today these same audio devices and their equivalent replacements are manufactured by Plantronics and sold through Plantronics extensive worldwide channel of distributors and resellers under the Plantronics logo and product name. The transition has simplified the purchase processes for customers while maintaining Plantronics world-class service and support and Avaya-dedicated Global Customer Care.

AVAYA BRANDED AUDIO DEVICES TRANSITIONED TO PLANTRONICS

The transition of Avaya branded audio devices to the Plantronics logo and product name was completed in July 2010.

- **Avaya Branded Corded Headsets** transitioned to the Plantronics-branded SupraPlus, EncorePro and TriStar.
- **Avaya Branded Wireless Headsets** transitioned to the Plantronics branded CS Series, with the exception of the ABT35+ which was replaced by the Voyager Pro UC.
- **Avaya Branded USB Wireless Headsets**, the ABT 35 USB transitioned to the Voyager Pro UC, and the AWH55 USB was replaced by the CS50 USB.
- **Avaya Branded EHS Adapters and Connectors** required for Avaya phones have new Plantronics model numbers.
 - CS System - APV6A, APV6B, APU7
 - Savi Wireless Systems - APV62, APV65, APU70
 - H-Series Corded Headsets – HIS, HIC, M12LUCM , 8400 SOTA

AVAYA TESTED AND CERTIFIED COMPLIANT

Avaya branded audio devices designed and manufactured by Plantronics prior to February 2010 have been tested extensively by both Avaya and Plantronics and certified compliant with Avaya UC and Contact Center solutions.

Plantronics continues the Avaya testing process through the Avaya DevConnect Program as a top-tier Platinum Partner. Plantronics broad audio device portfolio delivers remote call control and Avaya-certified compatibility across the full array of Avaya desk phones, IP Softphones and UC applications one-X® Communicator and one-X® Agent.

SUPPORTED BY PLANTRONICS TECHNICAL ASSISTANCE CENTER

The following list of Avaya branded audio devices, designed and manufactured for Avaya by Plantronics prior to February 2010, are acknowledged compliant with Avaya Contact Center and UC solutions by Avaya Technical Support. They continue to be supported directly by Plantronics Global Support Center.

CONTACT PLANTRONICS TECHNICAL ASSISTANCE: +1.800.544.4779

The following Chart shows the Avaya audio devices and the Plantronics equivalent. All Avaya audio devices were tested by organizations within Avaya. This document is to confirm that the Plantronics equivalent devices are the direct replacement of the legacy Avaya coded products.
